EDI Claims Release 3.0 Information Announcement

New SCWCC EDI Claims Release 3.0 Transition and Updated EDI Requirements Posted!

Date: 08/16/2024

SCWCC has selected Verisk, to manage their FROI and SROI EDI reporting. The transition will be effective on September 13, 2024. Please visit https://scwccedi.info/ for information regarding EDI Claims Release 3.0 reporting in SCWCC that includes the following:

- Claims Release 3.0 EDI Requirement Tables (revised)
- Trading Partner Profiles Registration and Instructions
- Frequently Asked Questions (FAQ) for EDI
- What's New: Announcements

Request: Trading Partner Profile Registration: Please complete your Trading Partner Profile Registration today and prior to the transition to remain on the list as a valid SCWCC EDI Trading Partner. By registering, this will ensure that the EDI First Report of Injury (FROI) and Subsequent Report of Injury (SROI) data sent to SCWCC for your company will not receive batch rejection messages for reason of invalid Sender.

Please access the Trading Partner profile registration at https://scwccedi.info/register and complete your registration today. Upon completion of the registration, you will receive an email with the status of your registration. If you have questions related to the request to complete the new Trading Partner Profile Registration, please refer to detailed registration instructions at https://scwccedi.info/register or contact the SCWCC EDI Support Team at scwccedi@verisk.com.

Questions? Prior to the transision, if you have any questions related to SCWCC's current EDI Claims *Release 3.0,* please contact SCWCC at edi@wcc.sc.gov.

Thank you,
